Beskrivning

Författare: HumorKompaniet.

Humorkompaniet är en ideell sammanslutning av kreatörer som skämttecknare och andra konstnärer såväl som skriftställare och kommunikatörer som är förenade i satirisk och gäckande omdömen av vår moderna värld.

Till tävlingen fick man in högklassiga bidrag från konstnärer i 35 länder. Förutom från Europa kom bidrag från länder som Kina, Nigeria, Brasilien, Uruguay, Iran och Ryssland. I boken New Europe - New Borders presenteras ett urval av 170 teckningar från 108 av de bästa skämttecknarna i 30 länder. Vi serveras ett högklassiskt smörgåsbord av stilar, färger och skämt. Det godaste av det bästa.

Valet av tema för tävlingen kan tyckas självklart med tanke på EU:s vidgade betydelse med nya medlemsstater, monetär union och en ny konstitution. Denna bok tar inte ställning för eller emot, men den roar alla. New Europe - New Borders både förargar, ventilerar och sätter tummen på verkligheten, men framför allt lockar den till igenkännande och skratt. Men så är också skämtteckningen ett verkningsfullt medel - fredligt och demokratiskt - för den vanliga människan att möta världen när den blir stor, omvälvande och ibland lite svår att förstå.

New Europe - New Borders har baksidestext på engelska och svenska. På insidorna talar den all världens språk, nämligen bildens.
