Beskrivning

Författare: Lena Weström.

1986 Det som många fruktat har hänt. Ett kärnkraftverk i Sovjetunionen havererar och sprider sitt avfall över världen. Hemma i Sverige sker ett illdåd, vår statsminister blir brutalt mördad på öppen gata. Vart skall detta sluta? Men konstigt nog fortsätter allt som vanligt. Solen skiner från en klar himmel och badvattnet runt ön är fortfarande lika blått och klart som förr. Vallmoblommorna lyser alltjämt lika röda på åkerfälten trots allt elände. Ja allt ser fortfarande ut som en idyll på vår ljuva ö Gotland. Men när en kvinna hittas död i ett badkar på Gråbo seniorboende, rubbas lugnet. Det tisslas och tasslas bland seniorerna medan någon med ont uppsåt smyger omkring i korridorerna nattetid. För väninnorna Betty och Ester, som sett fram emot att få njuta av en lugn tillvaro i varandras sällskap på äldre dagar, blir starten allt annat än fridfull. En gammal bekant dyker upp och det förflutna väcks åter till liv, på gott och ont.
